1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a residential customer of Dominion.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

I spent about \$22,000 to get solar panels which would offset 90-100% of my consumption. At the time November 2020), Dominion stated the current program was good until 2029. This would slightly exceed the time when the system would pay for itself. At the time, Dominion was advocating solar. With the proposed changes, my net savings for solar would be near zero.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*

Yes
